AICS 2023

31st IRISH CONFERENCE ON ARTIFICIAL INTELLIGENCE AND COGNITIVE SCIENCE

Sponsorship Prospectus

ATU — Ollscoil Teicneolaíochta an Atlantaigh / Atlantic Technological University
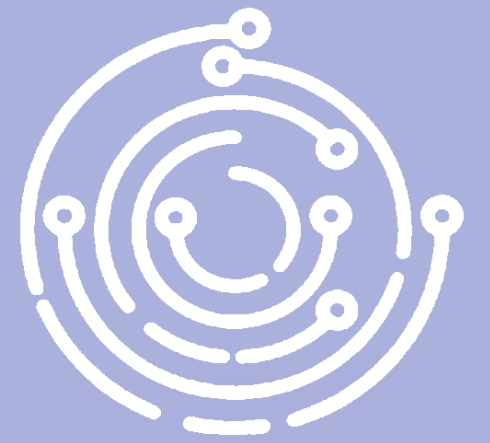

AICS 2023

Ulster University

AICS returns for its 31st consecutive year for a two day conference on December 7th/8th. It will be hosted by Atlantic Technological University (ATU) in collaboration with Ulster University. The conference will be held in-person at the Letterkenny campus of ATU Donegal. The AICS promises to bring together the 'who's who' Of the Artificial Intelligence research community, delivering an engaging conference on the latest developments and future innovations in AI and Cognitive Science.

Since its first inception in 1988, the AICS Conference is Ireland's primary forum for researchers interested in networking and engaging with Artificial Intelligence and Cognitive Science experts. The conference covers topics such as; Data Analytics, Natural Language Processing, Information Retrieval, and Machine Learning.

Why Sponsor?

There are plenty of opportunities to make the most of your sponsorship at AICS through sharing content/demos at your branded exhibition stand, sponsoring a keynote, or exploring networking opportunities by connecting with attendees and having 1:1 meetings. It provides:

- Unique opportunity to build individual and brand profiles within the AI research community.
- Network with multi-nationals and academics of a high calibre.
- Interact with 50+ researchers from all corners of Ireland.
- Gain expert insight on the next wave of tech innovation in artificial intelligence and cognitive science.
- Find collaborative opportunities with delegates, research groups, institutions and funding bodies.
